"Without Education a child is like a bird without wings", It is a very proud moment for me to bring out the first edition of CMP Newsletter for the session 2019-20 which is the mirror of all the co-curricular & academic activities carried out throughout the session to give our tiny tots an opportunity to express their imagination, creativity & hone their innate talent in a joyful & conducive atmosphere so, that they can use their potential to be confident and responsible citizens who will definitely serve our country in a meaningful way.

It gives me immense pleasure to bring out the newsletter that mirrors the primary children's activities under CMP during the first semester. It also gives children a platform to express creativity. This newsletter reflects the achievements of all the primary students giving them the much needed encouragement to scale greater heights. I congratulate all the students & teachers for their commendable work in bringing out this newsletter.
